### Mid-Year Fun and Frivolity for all!

Here at the Goulburn Club we scoff at the weather! The beautifully heated rooms with their inviting open fires make a mockery of the temperature outside. So gather your buddies and join us for a jovial good time as we make merry with a program of novelty songs, silly songs, frivolous songs and songs which are just downright naff! We will be laughing in the face of winter when we stage an evening of **Mid Year Fun and Frivolity** on Friday, July 20th - just about as close to the dead heart of winter as you can get!

Get on board today. Lock in the date, make up a table and maybe even dredge up a ditty or two to add to the evening's fun. Think Monty Python ... think Weird Al ... think "Lily The Pink". You know you want to!  
*Prizes for the biggest laughs, the silliest songs and the daggiest outfits. Stay posted.*
