THE SOUND OF SILENCE

(GRUB songs 2014)

Simon & Garfunkle

Am G Am
Verse 1: Hello darkness, my old friend, I've come to talk with you again,
F C F C
Because a vision softly creeping, left its seeds while I was sleeping,
F C
And the vision that was planted in my brain
Am C G Am
Still remains, within the sound of silence.

G Am
Verse 2: In restless dreams I walked alone. Narrow streets of cobblestone,
F C F C
'neath the halo of a street lamp, I turned my collar to the cold and damp
F C
When my eyes were stabbed by the flash of a neon light
Am C G Am
That split the night and touched the sound of silence.

G Am
Verse 3: And in the naked light I saw ten thousand people, maybe more.
F C F C
People talking without speaking, people hearing without listening,
F C
People writing songs that voices never share
Am C G Am
And no one dare disturb the sound of silence.

G Am
Verse 4: Fools said I, you do not know Silence like a cancer grows
F C F C
Hear my words that I might teach you; Take my arms that I might reach you.
F C
But my words like silent raindrops fell,
Am C G Am
And echoed In the wells of silence

G Am
Verse 5: And the people bowed and prayed to the neon God they made.
F C F C
And the sign flashed out its warning, in the words that it was forming.
F C
And the sign said, the words of the prophets are written on the subway walls
Am C G Am
And tenement halls. And whispered in the sounds of silence.
